# Welcome

Dear Potential Contestant,

On behalf of Rocket City Pride, we would like to thank you for your interest in competing for one of our prestigious titles. Over the years, Rocket City Pride has undergone massive changes with a move for greater visibility throughout the city, and an increase in the scale of our yearly Pride Festival. As these changes help make Rocket City Pride a greater force for equality and understanding, we are refusing to stop with small change and progress. For anyone seeking the title of Rocket City Pride or Rocket City Pride Newcomer, it is important to understand that the victory means more than a crown; the title means becoming part of a powerful long-standing tradition.

The winner of our pageant will have a wonderful year of appearances, performances, and service within the community. As a representative of Pride, the crown means more attention from the community, which translates into a chance to build a platform that can make a big difference in many lives throughout our community. As such, we look for winners who are committed to the mission of Rocket City Pride and who are ready to advocate, celebrate, educate, and support the LGBTQIA+ community of our city.

The road to the crown is a challenging one: all contestants compete in five categories, with scores from each category being combined to determine the contestants with the highest overall score. Contestants will be evaluated by a panel of pre-selected judges. Judges will be fair and unbiased in their scoring. All scores will be computed by a pre-selected tabulator.

Please find attached to this packet a list of our rules, regulations, requirements, and other helpful pieces of information. Should you ever require assistance, have questions or concerns please do not hesitate to contact our Pageant Director or our Pageant Coordinator listed below. Best of luck to you!

With Love & Pride,  
Rocket City Pride Board of Directors
